

I would like to comment about the radio station K-Love. My family and I listen to K-Love almost exclusively. We are Christ-followers and truly depend on K-Love to provide to us a "safe" and "clean" listening environment. It also provides to us a source where we can listen to the Christian Music we prefer.

My family and I consider K-Love an essential to daily life. Without it the nation as a whole would lose a valuable way to worship the Lord during the day. The countless lives that are touched by K-Love could never be reached without this radio station.

Please consider these comments when you are deciding how law would affect this radio station. If for some reason K-Love was forced off the air it would be a tremendous loss for those of us who serve the Lord and a great victory for Satan and his ways.

Sincerely,
Doug Schultz and Family
